

# The Castle<sup>®</sup> HI-TECH FUEL SYSTEM Treatment

Did you know

**1-STEP PROCESS**

that for every gallon of gasoline your vehicle burns, harmful performance robbing deposits are left behind in your engine? Why tolerate hard starts, sluggish acceleration and poor fuel economy? Castle guarantees dramatic results after only one tank of treated gasoline.

Keep your engine clean the "Castle<sup>®</sup> Way."

A clean engine will perform the way it was engineered to, providing power, performance and reduced exhaust emissions.

Castle<sup>®</sup> Dragon Power<sup>™</sup>

**LOWERS the cost of driving**

by decreasing the need for higher octane fuel while reducing engine wear.

## Our System Works!

**ONE-TANK CLEAN-UP**  
With Castle<sup>®</sup> Dragon Power<sup>™</sup>:

- Removes Intake Valve Deposits
- Removes Combustion Chamber Deposits
- Thoroughly Cleans Fuel Injectors

- Increases Power Rating
- Increases Fuel Economy
- Reduces Engine Wear

**OEM APPROVED!**
