

TECHNICAL DATA SHEET

CASTLE 2-22 RED
Cleaner-Degreaser

DESCRIPTION: 2-22 Red is an industrial strength, low-foam cleaner/degreaser that is water-soluble and non-caustic. When cut 32 to 1, 2-22 Red is still a strong cleaner with a pH of 10. 2-22 Red is strong enough to degrease a machine and gentle enough to clean a carpet. It is truly a "All Purpose Cleaner."

USES:

For Hard Surfaces:

1. Can be used full strength or cut 32 to 1, depending on the degree of soil to be cleaned.

For Rugs, Upholstery and Cloth Surfaces:

1. Pour 1 quart concentrate into a clean 5 gallon bucket. For machine cleaning add 9 ounces per gallon of water.
2. Direct a strong spray of water into the bucket to develop mounds of suds (about 3 gallons of water).
3. With a brush, apply suds to surface to be cleaned.
4. Brush in a circular motion.
5. Wipe dry with a clean cloth.

PACKAGING:	16 oz	12/case	15 gallon	drum
	gallon	4/case	30 gallon	drum
	5 gallon	pail	55 gallon	drum

STORAGE: Keep from freezing.

SPECIFICATIONS:

Color	red	Specific Gravity	1.0
Cleaning	excellent	Effect on Paint	none at 1 to 1
Odor	lemon	pH	12.5
Freeze Stable	12.5	Degreasing	excellent
