ECHO CARPET SHAMPOO Professional Cleaner for Rugs and Upholstery

DESCRIPTION: Echo Carpet Shampoo is a professional strength shampoo designed for commercial use. This controlled suds product is formulated with biodegradable surfactants for proper wetting and cleaning. Sequestering agents are part of the formula to aid the cleaning and drying process. Finally, optical brighteners are added to enhance the fabric color, leaving a "like new" appearance. Echo Carpet Shampoo is safe on natural and synthetic fibers when used as directed. A rich foam cleans the carpet to prevent getting the backing wet and causing mildew.
