

TECHNICAL DATA SHEET

LONG LIFE Battery Protector

DESCRIPTION: Corrosion is the greatest enemy to the life and energy of automobile and truck batteries. Long Life provides a protective coating on battery connections to resist corrosion. When grease is used, it can penetrate the connection and eventually lead to a dead battery. Long Life seals the connections and increase battery life and power.

USES: *Cars *Marine *Golf Carts *Aircraft *Trucks
 *RV's *Lawn Equipment

DIRECTIONS: 1. Clean connections with Castle Corrosion-Off.
 2. Coat battery connections thoroughly.

PACKAGING: 16oz aerosol 12/case

STORAGE: Store below 120°F.

SPECIFICATIONS:

Color	purple
Specific Gravity	0.9
Flash Point	-40°F
Odor	solvent
Density	4.0
Freeze Stable	yes

PRODUCT #: C1607
