

## TECHNICAL DATA SHEET

### TRUCK & BUS WASH Power Spray Application

**DESCRIPTION:** Castle Truck & Bus Wash is a non acid wash designed to be used in power sprayers. While strong enough to be diluted up to 80 parts hot water to 1 part product; it is even safe enough to be used full strength. It effectively removes diesel soot marks, bug residue and mild road film, leaving a clean bright finish. Mitting and brushing is cut to a minimum with Castle Truck & Bus Wash. Works with high or low pressure, hot or cold water. Completely biodegradable. Contains aluminum brighteners.

**USES:** \*Truck \*Buses \*Industrial Applications \*Painted Surfaces \*Railroad Cars \*Aluminum Siding

**DIRECTIONS:** Simply spray on and rinse off. In heavy soot or dirt conditions, brush lightly before rinsing.
