

## TECHNICAL DATA SHEET

### CASTLE WHITE LITENIN 4 in One Synthetic Auto Compound

**DESCRIPTION:** White Litenin contains no silicone or grit. It's rich synthetic base removes acid rain, oxidation, fine scratches and paint stains. White Litenin eliminates the need to have a variety of compounds in the shop. The rich base may leave a slight haze, but it is easily wiped or waxed away. Follow with Bright Knight Wax for a rich shine and armor hard finish.

**USES:** To remove minor paint defects prior to final wax.

**DIRECTIONS:**

1. Wash the surface with Castle Great Stuff or Spotless Car Wash.
2. Make sure surface is dry.
3. Shake well.
4. Apply by hand or machine.
5. Work in sections. Heavy paint defects may require repeat applications.
6. Wipe surface clean.
7. Follow up with Castle Bright Knight Wax.

**PACKAGING:** gallon                      4/case

**SPECIFICATIONS:**

Color	purple	Specific Gravity	1.0-1.01
Flash Point	185°F	Cleaning	N/A
Effect on Paint	safe	Odor	Floral
Freeze Stable	yes		

**PRODUCT #:** C1659-1
